Teflon™ industrial coatings

Freight for Teflon™ coatings

Shipping charges for Teflon™ coatings will be calculated at the time of shipment and added to the final invoice. Fees will be based on hazard class, weight, and shipping destination.

- All shipments are F.O.B shipping point.
- **Freezable products** will be shipped in special boxes. For UPS and FEDEX Ground service, a \$39 per box freeze protect charge will be added to the invoice. For LTL shipments, a \$39 per shipment charge is added. For more detail on the Freeze Protect policy, or to waive the freeze protection, contact our office.

Collect Shipment

There will be a \$50 handling charge for shipping on a customer's own account. This charge offsets warehousing and packaging expenses that are incurred with the shipping and handling of our products.

Product Certification

Product Certifications are issued from Intech Services. Shipping is on a first in, first out shipping system therefore shelf life can not be guaranteed. Several types of certifications are available via e-mail or fax. Please request at time of order.

- Standard Certification (*lot number*) - \$25
- Certificate of Analysis (*lot number, solids, viscosity*) - \$50
- Custom Certification (*lot number, date of manufacture, shelf life*) - \$50
- VOC Certification (*customer required to provide VOC form with order*) - \$50

SDS & Fact Sheets

These documents are available with shipments, fax, or e-mail. Registered users may also download documents at www.intechservices.com. Contact our office for more information on registration.
